Please use this LaTeX template (together with Equadiff2017.cls) for your abstract and submit the resulting document as PDF file. We kindly request you to additionally submit all LaTeX source files, BibTeX files, figures, tables, and all LaTeX classes and packages that are not standard (i.e. not included in TeX Live), as a single ZIP archive. References should be cited as [1], [2].

The maximum abstract length is 1 page.
